## BREAKS HIS ARM WHILE PITCHING

Accident Yesterday Will End Baseball Career of William Simpson.

[Special to The Times-Dispatch.]  
Newport News, Va., August 9.—William A. Simpson, the crack pitcher of the North End Peninsula League team, broke his arm while in the act of delivering a ball in the fourth inning of a game between a North End Athletics combination and the Battle Axe team of South Richmond. Simpson collapsed on the diamond, and when he was carried to a nearby doctor's office it was found that the large bone of his right arm had snapped just above the elbow. His wife was in the grandstand at the time. Simpson was tried out by the Philadelphia American League team several weeks ago, and had been signed for the present year for the next spring. The physicians say, however, that to-day's accident will end his pitching career.

The local team won to-day's game 5 to 4, the contest ending in the seventh on account of darkness. The home team had all the better of the performance.

### SUIT AGAINST CITY

Change of Street Grade in Fairmount Ground of Alleged Damage.  
In a suit filed in Equity Court yesterday Bettie Moore, Frances Moore Brazier and others filed a suit against the city of Richmond, claiming \$15,000 damages as the result of removal of dirt from in front of a house and lot at 1022 North Twenty-second Street. It is alleged by the plaintiffs that the city in July, 1909, hauled away earth from the lot, thereby lowering the surface. It is claimed by the owners that, in order to protect the property, it will be necessary to construct a retaining wall, which will necessitate the expenditure of a large amount of money.

Attorney Hiram M. Smith represents the plaintiffs.

## Some Baseball Talk

By HALF NELSON.

BY HALF NELSON.  
And really the Colts did manage to clean up Petersburg yesterday. It seemed to be a fight for who should be in the cellar, and Richmond lost the cellar proposition. Morrissey lost out on the first flutter, but Verbut was able to hold up his end. Anyhow, Richmond won. And that is all there is to it.

Incidentally, it took two umpires. There was no talk of rank homers. Of course, there was a little discussion as to what was which, but there was nobody killed, nor any one hurt.

Notwithstanding all this talk about politics and politicians, it does seem that it all the fans had to go to Petersburg yesterday the result of the congressional primary might have been different.

Now, why does not the controller of the Richmond baseball club get a few more youngsters like Bunting, Dobson, Eschler, et al.

Baelels has played a very short time, but the percentage of youth has argued very strongly in his favor. He has not done anything sensational, but he has held down the job, and he has batted strongly enough for an old-timer. The fact is that the Richmond management would do well to look up youngsters and put them on the pay roll. A youngster will work himself to death to get a reputation, the old-timer has got everything that is coming to him, and he has nothing more to look forward to.

The health hoodoo that has stuck to Richmond this summer still seems to stick. Baker, who has held up through the blizzards, has been struck down. Among those who have been laid up on the Richmond team are Jack Lawler, Titman (for a short

## EDWARDS STAKE WON BY THE ABBE

Favorites Have Another Good Day in Grand Circuit Races at Cleveland.

Cleveland, O., August 9.—Favorites had another good day in the grand circuit races to-day at North Randall. In only one event were the forecasts upset. That was in the concluding race, when Fuzz Johnson, a black stallion, by Baron Shell, driven by Frank Jones, of Memphis, beat Louis W. Winer's chestnut mare, Doris, after a hard struggle. The event was the 215 trot, and four heats were necessary before Fuzz Johnson was finally decided the winner. The \$3,000 Edwards stake went to the Abbe. The time was 2:04 1-2, a new mark for the Abbe, who made 2:04 1-2 at Detroit last week. Earl, Jr., let W. D. S. set the pace to the three-quarter pole in the first heat of the 210 pace, and then took the lead handily, finishing an easy winner.

Country Jay kept up his great record at Kalamazoo and Detroit by joggling home an easy victor.

Lou Billings, three-year trotter, by A. McK. Keron, 2:04 1-2, and Lou Dillon, 1:58 1-2, was driven a mile in 2:12 3-4 by John Dickerson, with a runner as a pacemaker. Summaries: 210 pace, purse \$1,500 (3 in 5)—Earl, Jr., gr. g. by the Earl, first; W. A. Br. g. second; Halie Direct, ch. m., third. Best time, 2:04 1-2.

The Edwards stake, 214 pace, purse \$3,000 (3-heat plan)—The Abbe, blk. s., by Chimes, first; Evelyn W. b. m., second; Branham, Baughman, b. s., third. Best time, 2:04.

2108 trot, sweepstake, with \$500 added (2 in 3)—Country Jay, ch. g., by Jay Hawker, first; Baron May, br. s., second; DeWitt, b. g., third. Best time, 2:06 1-4.

215 trot, purse \$1,000 (2 in 3)—Fuzz Johnson, by the Baron Shell, first; Doris, ch. m., second; Josie Mae, b. m., third. Best time, 2:13 1-4.

## FATAL COLLISION AT ROAD CROSSING

Five Persons Crushed to Death When Speeding Train Hits Automobile.

Cape May, N. J., August 9.—Five persons were crushed to death to-day when a train on the Pennsylvania Railroad dashed into an automobile at Mill Lane Crossing, on the West Jersey and Seashore Railroad. The dead are: Frederick W. Feldner and wife, and Fritz Mergenthaler and wife, and their four-year-old son, all of Baltimore.

Mergenthaler was the son-in-law of Mr. and Mrs. Feldner.

The party had been spending a few days in Atlantic City, and this afternoon left for an automobile trip to Cape May.

As they approached the tracks the fast-running express was hidden from view by a cornfield, and it was impossible for the chauffeur to see the train until he was within a few feet of the tracks.

Warning Not Heeded.  
As the automobile bore down toward the tracks Mrs. Thomas McNellie, who resides close to the crossing, saw the rapidly approaching express, and waved her hand for the automobile driver to stop his car, but the man either did not see the danger signal, or thought that he could cross the tracks before the train reached him, and dashed on to the road just as the train reached the crossing. The express struck the automobile squarely between the wheels and threw it and all of the occupants clear of the tracks. All five of the riders were instantly killed and badly cut and bruised.

The bodies were quickly gathered together and a physician hurriedly summoned, but a glance at the mangled forms showed plainly there was no need for medical aid.

Coroner Reeves was summoned, and reached the scene a few minutes after the accident occurred. He took charge of the five bodies and had them brought to his morgue here.

So severe was the impact that pieces of the machine were driven on the piston rod.

## ALBEMARLE HORSE SHOW OPENS WITH CLASSY ENTRIES IN THE VARIOUS SPIRITED CONTESTS

Cup Offered to Charger Class by U. S. Army Won by Richmond Horse.

[Special to The Times-Dispatch.]  
Charlottesville, Va., August 9.—The tenth annual exhibition of the Albemarle horse show opened to-day with splendid weather, and the usual first-class crowd. The twenty-three classes shown were not so large, perhaps, as in former years, but there was much quality in the exhibit.

The features of the day's show were the riding of Senator Martin's children in pony class, and the stable of high-stepping harness horses, owned by Miss Amy E. Dupont, of Wilmington, Del., and cleverly handled by Miss Dupont and her maner, Frederick Butler. The string includes the splendid horses, Alexandria, Lady Babbie, Mattie Bond, Mattie Chimes and Kentucky Belle. These horses have not only made a remarkable exhibition in Virginia, but at the big shows in the North this season, including those at Devon, Pa.; Collingswood, N. J., and other places, defeating such champions as The Cricket, owned by Miss Fittar, and Honor Bright, owned by Mrs. Walsh. Mattie Bond and Mattie Chimes come from the famous Chimes and Bondsman families, both of which have furnished world champion trotters and pacers. With Lady Babbie, Miss Dupont was first in the runaway class, while her stable mate, Mattie Chimes, was second again in the class for pairs. Alexandria and Lady Babbie were first. These two elegant geldings also scored another victory in the park tandem class.

E. H. Weatherbee and Julien Morris, fresh from victories at Olympia, London, captured between them a half dozen titles.

With the magnificent bay gelding Keswick, Mr. Weatherbee won the cup offered by the merchants of Charlottesville for the best performance over four consecutive jumps, each jump counting as many points as it is feet high. Mr. Weatherbee's David Gray, the winner of the championship hunter class in London, took the biggest purse of the day in the hunter and jumper class.
